Young persons are too apt to commit excesses from
not being aware of the dreadful consequences that
may ensue. Now, who that understands the subject will pretend to deap that its power of procesation is lost somer by those falling into improper
habits than by the prujent! Besides being del
prived the pleasures of heatiny offspring, the mo
serious and destructive symptoms to both body and
until arise. The system becomes derauged the

DIECASE OF IMPRUDENCE.

When the misguided and lungradent votary of pleasure finds he has imbibed the sends of this paintid disease, it too often happens that an ill-disease of shame, or dread of discovery, design him from applying to those who, from diseation and respectability, can aloos befriend him. He fails into the hands of ignorant and designing prebanders, who, incapable of curing, that his pseuntary or as long as the smallest fee can be obtained, and in despair leave him with ruthed health's . Ign over his gailing disappointment; or, by the use of shat deadly poleson. Mercury, hasten the constitutional symptoms of this terrible disease, such as Affection of tim Head, Throat, hose, skin, etc., progressing with frightful rapidity till death puts a period to his dreadint sufferings by sending him to that undiscovered country from whose bourne no traveler returns.

SEIN DISEASES SPEEDILY CURED. Persons writing should be particular in directing seir letters to his Institution, in the following
